The lesson begins promptly at 2:30 o'clock, and all are requested to bring a fork for sampling the food prepared. A cordial invitation is extended to the ladies and gentlemen interested in cooking or in seeing a demonstration of the use of the gas range.

## WEAPON WAS A CATSUP BOTTLE

PROPRIETOR OF CREAMERIE RESTAURANT IN SCRAP WITH WAITER.

C. O. Johnson, proprietor of the Creamerie restaurant, engaged in an altercation with a waiter named Leon Pope last night and struck Pope over the head with a bottle of catsup. When Pope was taken to the police station he looked as if his throat had been cut, but when the catsup had been washed away, his injuries were found to be a little scratch. Both men will appear in Judge Brissell's court this morning and explain how it happened.

## TONOPAH CAPITAL IS IN NEW CAMP

ORO CITY, NEAR HAWTHORNE, RAPIDLY COMING TO THE FRONT.

Oro City, a new camp about twelve miles from Hawthorne, and three miles from the famous Pamlico mine which has produced several millions in the past few years, is rapidly coming into the limelight. Development has been going on since last August, and nearly every property there has good ledges. There are about fifty men in the camp at present and all of them are working. A mill is on the ground and is practically completed. It is expected to start in a week or ten days. The ore bins of the mill are full of ore and a large quantity of ore is deposited on the ground waiting to be milled. The mill will have a capacity of about fifteen tons per day. There is an ample water supply, as the mill company has a pipe line from the springs about a mile and a half from the town.

The Oro City Townsite Company, which is operating two claims at present, and own the mill, is formed of Denver and New York capitalists, and claim to have ample funds to push the development of the new camp.

R. J. Highland, a prominent mining man of this city, who, with his associates, is interested in the Bar Gold Mining Company, yesterday received reports that there had been several new strikes made in the camp recently. The Bar Gold Company, besides owning several good claims, are leasing on two different properties and the showings made on the leases are very flattering. The lease on the Lolo claim of the Bar Gold property has encountered a three-foot ledge at a depth of twenty feet, which will assay between \$50 and \$80. They are extracting ore from this ledge and placing it on the dump, preparatory to milling it.

The Solar Plexis Mining Company, operating the Davis claim, has struck a ledge of extremely high grade ore, which will give an assay of \$1 to the pound.

Good pinnings can be secured in any part of the district and from every indication the camp gives promise of being a second Rawhide.

## SPRAIN DEVELOPS INTO FRACTURE

MISS EMMETT'S INJURY MORE SERIOUS THAN FIRST SUPPOSED.

What was first thought to be merely an ankle sprain, developed to be a compound fracture of the ankle in the case of Miss Nora Emmett, the popular singer of the Butler theater, who was injured while snowballing Wednesday afternoon. Miss Emmett was able to be about on crutches last evening, but was unable to appear at the theater, much to the disappointment of the audience. It is hoped by her many friends that the injury will not incapacitate her for any length of time.

## AMATEUR NIGHT WAS A SUCCESS

There was something doing at the Butler theater last night when Sam Haas presented a choice aggregation of amateurs in addition to the regular show. The first amateur act to appear was the trio, Misses Susie Barry, Norma Hudspeth and Marjorie Macey, who rendered a song that was clever in the extreme. The little ones were cute and their singing was excellent and was well received by the audience. Fern Hudspeth did a buck and wing dance act that was clever. She also received her share of the applause. Mr. Sawyer from Arkansas gave a violin imitation of the music played at an old country dance and slightly resembling the Arkansas traveler style. He was assisted by Paul McGuire. Puddy Grimes was to appear as a ballet dancer, but as his costume failed to arrive he had to cancel the act, but will probably do a stunt at the next amateur night.

MRS. COSLETT DENIED DIVORCE

A decree in the Coslett divorce case was handed down yesterday by Judge O'Brien, in which Mrs. Coslett is denied the divorce sought for. She is also charged with the costs.

## RAWHIDE PEOPLE GO TO GOLDFIELD

SUMMONED TO APPEAR BEFORE THE ESMERALDA COUNTY GRAND JURY.

A large contingent of Rawhide citizens passed through Tonopah yesterday morning on the south bound train. They were on their way to Goldfield to appear before the Grand Jury of Esmeralda county. Several Rawhide cases are to be investigated by that body, amongst them that of Justice of the Peace Armstrong, who, it is alleged, is incompetent and entirely incapable of fulfilling the duties of the office he occupies. A petition was circulated some time ago asking for his removal.

The members of the party were: Mrs. Belle Dormer, formerly of Tonopah; Harry Hedrick of the Rawhide Times-Press; W. S. Webster, manager of the Rawhide Rustler; Assistant District Attorney H. Brede, Deputy Sheriff Cullom, Emil Grutt, Ragtime Kelly, G. Coleman, H. Claybourne of the State Police, and Frank Evelett.

## GRANT CRUMLEY GETS SOUVENIR

GEORGE SCHUSTER OF THE AMERICAN CAR SENDS POSTAL.

A message from the far away north was received by Grant Crumley of the Nevada Club yesterday, from Geo. Schuster of the Thomas car in the New York to Paris race. The message is in the form of a postal card and is dated April 8th, and was mailed at Valdez, Alaska. It reads as follows:

"Greetings from American car in New York to Paris race, Schuster."

On the reverse side of the card is the picture of two sleighs loaded with freight, on their way over the trail. The card is highly prized by Mr. Crumley for it shows that the members of the American car party still remember the good time shown them while in Tonopah.

## PRESBYTERY ENDS ITS FIRST SESSION

MUCH GOOD WORK IS ACCOMPLISHED IN A SHORT TIME.

The Presbytery of Nevada closed its first State meeting yesterday. The meetings were a great success and a full attendance was reported at every session. Four members were added to the Presbytery and at the close of the session yesterday afternoon the Rev. Angus Matheson, formerly of the Cumberland Presbyterian church, was examined and ordained. This was the first ordination of the new organized presbytery. The charge was delivered by the Rev. Dr. W. B. Noble of Los Angeles.

Rev. H. H. McCreery of Carson City was elected moderator. He was also elected commissioner to represent the Presbytery at the general assembly next month at St. Louis.

Elder R. B. Todd of Goldfield was elected lay delegate to the general assembly.

The statistical report showed twenty-eight elders, a total membership of 530 church members, 1000 Sunday school scholars and \$16,495 congregational expenses.

There were about eighteen delegates, lay and clerical, present at these sessions. The next stated meeting will be held in Rawhide in October.

A large audience assembled at the Presbyterian church last night at the public meeting of the Presbytery. Two addresses were delivered. The Rev. Dr. Noble spoke on "Home Missions," and was followed by the Rev. F. H. Robinson, who gave an interesting address on his work in the new camp of Rawhide.

## INJURED IN RUNAWAY.

Frank Ginnotti, who drives the delivery wagon of the Metropolitan market, was thrown out of the wagon yesterday afternoon by the horses running away and sustained several cuts about the head and shoulders. The injuries are not serious.

## FIRE SWEEPS ILLINOIS TOWN.

VERGENNES, Ill., April 23.—The business section of this town was practically wiped out by a fire this morning. The loss is estimated at \$60,000, partly covered by insurance. Vergennes contains 1200 inhabitants and is located on the St. Louis division of the Illinois Central.

## POSTPONE CASES UNTIL TODAY

CHIEF MALLEY BROUGHT BACK TWO MEN FROM GOLDFIELD.

R. W. Henry, who passed bad checks to the amount of \$850 on the Tonopah Club and was arrested at Goldfield Wednesday by Chief of Police Malley, was brought back to Tonopah yesterday afternoon and will be arraigned in Judge Brissell's court at 10 o'clock this morning.

Vincenzo Svisey will also be arraigned at the same time. Svisey is a Slavonian who, during his short residence here, has become quite familiar with American methods. He has the habit of changing his name every time he takes up his residence in a new town and then after running a board bill for about a month skips out. He tried this scheme here and when he left the Hotel Del Campo he owned the proprietor about \$55. He was apprehended in Goldfield on Wednesday by Chief Malley and brought back yesterday.
